The [Latah County Historical Society](#) will have a small display of local historical maps

Located at 412 East 3rd Street, the former Moscow High School, built in 1912, is a three-story, 30,000 square foot building located on the edge of an historic residential neighborhood, three blocks from the City's commercial core. It is an excellent example of classical style architecture built during the Progressive School Era, with classic details in brick and

white terra cotta that are unique to the area. This landmark is the home of Moscow's first multigenerational, multipurpose community center.
