Stan Stevens Portrait by Shmuel Thaler

It might be interesting to readers of the WAML *Information Bulletin* to know the names of our Subscribers during the period 1972 thru 1975 and our Exchange of Publications Members during the period 1970 thru 1975. I discovered an old card file among my personal archive, containing names, addresses, and payment information for Individual Members, Associate Members, Institutional Members, Exchange of Publications, and Subscribers. I have transcribed the list of Subscribers.

As some readers will know, I was the Founding President of WAML (1967-1968), and after my term expires, I became the Treasurer of WAML (1969-70 through 1988-1989), and Editor of the *Information Bulletin* (1971-1984) — and its Subscription Manager (for lack of a better term) during those years as Treasurer.

We had a total of 142 subscribers, plus two-copies each to two of the subscribers, for a total of 144 issues being mailed — Worldwide! — and that's just Subscribers!

The Subscriber numbers fluctuated between those years, from a high of 144 in November 1975 to a low of 63 in June 1973. These numbers reflect, in part, due to the subscription payments not arriving in a timely manner. The highest totals by category, during the year shown, are as follows, for a total of 331:

- Individual Members: 95 [May 1974]

- Associate Members: 53 [Nov. 1975]
- Institutional Members: 28 [Nov. 1975]
- Exchange of Publications: 11 [Nov. 1975]
- Subscribers to the IB: 144 [Nov. 1975]

I know the Information Bulletin is still popular and savored by those who are collectors and active in the professions, but a look back 50 years brings memories that I cherish. I congratulate the current leadership of WAML, and salute you for keeping alive a dream that we few founders had in 1967 when we came together to create an organization that would serve the needs we felt were unavailable to us at the time. I am constantly in awe when I read every issue of the Information Bulletin, and realize that its value is still serving that long-felt need.
