

Beatrice L. Lukens, 1918-April 19, 2009

Bea Lukens was the earth sciences librarian at the University of California, Berkeley in the 1980s. She was treasurer of the Geoscience Information Society in 1982 and 1983. She was a charter member of WAML, president of WAML 1973-1974, and chair of the Membership & Hospitality Committee for several years in the 80s. Bea was also chair of a GIS committee on producing a bibliography of geologic fieldtrip guides. She retired in October 1983.
