

WAML 2024- ABQ Schedule

This year's conference will take place in Albuquerque, NM on the University of New Mexico campus from Wednesday, September 25th to Saturday, September 28th, 2024. The program for **in-person attendees** on these days is detailed below. If you are not attending the conference in person, there will be a Virtual Symposium on October 10th. You can find the symposium information [here](#).

Founded in 1889, the University of New Mexico sits on the traditional homelands of the Pueblo of Sandia. The original peoples of New Mexico – Pueblo, Navajo, and Apache – since time immemorial, have deep connections to the land and have made significant contributions to the broader community statewide. We honor the land itself and those who remain stewards of this land throughout the generations and acknowledge our committed relationship to Indigenous peoples. We gratefully recognize our history.

All times in Mountain Daylight Time (MDT). Times subject to change.

Schedule:

Wednesday, September 25, 2024 – Pre-conference
